

MONDAY 2/22/10 : craft

Theme: “Discovering the real you”

Activity:

Introduction: In this activity the kids are discovering themselves and displaying what makes them who they are through the use of a collage.

Materials:

1. Old magazines
2. pencils , markers, crayons,
3. glue
4. scissors
5. decorating supplies
6. construction paper

Instructions:

1. Pass out the construction paper and place the supplies in a common area for all the kids to use.
2. Tell the kids to create a collage of pictures with the other decorating supplies that represents who they are.
3. Have kids share their creations with the group.
4. Have the kids write in their journals about how they feel about the collage and why they choose the items they did.
